WORK EXPERIENCES

Creative Strategist

Present | Mohali, India

Worksbuddy.ai

- Created high converting ad creatives and strategic content for brands including MSAI, WORKSBUDDY, and LBM Solutions.
- Planned and executed product shoots, promotional campaigns, and event coverage with complete creative direction.
- Produced cinematic video edits, motion graphics videos, promotional reels, and branded social media content.
- Managed end to end production workflows including shoot planning, editing, sound selection, transitions, and post production.
- Developed visually strong marketing creatives that enhanced brand identity and digital engagement.
- Utilized advanced AI tools for AI video generation, AI editing workflows, and creative automation to improve content quality and efficiency.
- Collaborated with marketing teams to create engaging campaigns optimized for audience retention and performance marketing.

Graphic Designer

2023 – 2025 | Mohali, India

TheDigit.in

- Managed creative campaigns and digital content for multiple client brands including **Chai Nagri, Lets Rentz Innovate Pvt. Ltd., and Cheesy Crazy Cafe.**
- Designed high-performing social media creatives, promotional campaigns, and brand communication assets across diverse industries.
- Created motion graphics, video advertisements, CGI visuals, and marketing content optimized for digital platforms.
- Collaborated with clients to develop creative strategies aligned with brand positioning and marketing objectives.
- Produced engaging short-form video content, promotional reels, and visual storytelling assets to improve audience engagement.
- Developed branding materials, digital advertisements, and campaign creatives while maintaining brand consistency across platforms.
- Utilized Adobe Creative Suite, Blender, and AI-powered creative tools to streamline production workflows and enhance creative output.
- Coordinated with marketing teams and stakeholders to deliver campaigns within timelines and business objectives.

Junior Graphic Designer

2022 – 2023 | Mohali, India

LBM Solution Pvt Ltd

- Designed dynamic social media creatives and marketing content for blockchain related projects.
- Assisted in creating motion graphics, visual assets, and promotional designs for digital campaigns.
- Built foundational skills in UI/UX design, Blender 3D modeling, and video editing workflows.
- Worked extensively with Adobe Photoshop, After Effects, and Premiere Pro for creative content production.
- Supported the creative team in delivering visually engaging content for multiple client projects.
