Personal Details

Date of Birth: 2002-07-30

Eligible to work in: India

Highest Career Level: No Experience / Student

Industry: Software Development

Work Experience

Python developer trainee

Softwiz Infotech-Mohali Punjab

Full-time

July 2025 to Present • Full-time

- Working on Python-based backend development and modern AI applications.
- Learning and implementing Generative AI concepts, including RAG (Retrieval-Augmented Generation) systems using LangChain.
- Practicing prompt engineering to improve AI response quality and task accuracy.
- Developed AI-based mini projects integrating LLMs with structured data.
- Building and maintaining warehouse management APIs for data handling and business operations.
- Designed and managed database schemas and implemented efficient CRUD operations.
- Implemented JWT-based authentication and authorization for secure APIs.
- Gained hands-on experience in payment gateway configuration and integration.
- Actively involved in API testing, debugging, and performance optimization.

Python Intern

Softwiz Infotech-Mohali, Punjab

Internship

January 2025 to June 2025 • Internship

Learned and applied Python for backend development.

Worked with HTML, CSS, and JavaScript to build responsive user interfaces.

Developed REST APIs using FastAPI and Flask.

Gained hands-on experience with database design and CRUD operations.

Built a mini Employee Management System with features like employee records, attendance, and basic admin operations.

Improved understanding of backend logic, API integration, and full-stack workflow.

Education

Computer Applications (MCA)

Himachal Pradesh University-Shimla, Himachal Pradesh

Full-time | August 2023 to Present

Scored: 8.26

Computer Applications (BCA)

Himachal Pradesh University-Shimla, Himachal Pradesh

June 2020 to June 2023

Scored: 7.59

MCA

Computer Applications (Masters)

Skills / IT Skills

- HTML
- Python
- CSS
- DBMS
- SQL
- Fastapi
- Flask
- Rag
- PostgreSQL
- Langchain

Languages

- English - Intermediate
- Hindi - Expert
