

SHILPI KASHYAP

.NET Developer
Chandigarh, India | +91-7876773417| shilpykashyap9@gmail.com

PROFESSIONAL SUMMARY

- **.NET Developer** with 1 year of professional experience in designing and developing scalable web applications, APIs, and 6 months internship in dot net development.
- Strong background in **.NET Framework**.
- Utilizing modern architectural patterns such as **CQRS** and **GraphQL** to build and maintain efficient APIs.

CORE SKILLS

Frontend	Backend & Database	Architectures & Tools
HTML, CSS	.NET Framework	CQRS Pattern
JavaScript	Web API Development	GraphQL

PROFESSIONAL EXPERIENCE

Sourcemash Technologies | .NET Developer (November2024 - present)

Develop enterprise-level applications utilizing Angular and the .NET Framework.Build and maintain robust APIs using GraphQL while implementing CQRS architecture for enhanced scalability.Collaborate with cross-functional teams to translate complex business requirements into technical solutions.Manage development tasks via a ticket-based system within an Agile environment.

Key Projects

- Larson-Juhl (UK)
*Large-scale e-commerce system for the UK's largest picture framing wholesaler.*Managed inventory and order processing logic for products including mouldings, mountboards, and glazing. Executed critical development tasks for the backorder cancellation process..Developed the Design Studio image deletion workflow to optimize system storage and performance.
- Fruit of the Loom (USA)
Product Lifecycle Management (PLM) for a leading global apparel manufacturer.Contributed to the PLM module, focusing on digital product design and development workspaces. Developed backend logic and integrated APIs to support product data management across the entire lifecycle.Gained deep exposure to enterprise-level manufacturing workflows and digital design environments.

Nestromind | Web Development Intern (Feburary2024 – April2024)

Developed responsive user interfaces by leveraging HTML5, CSS3, and JavaScript to ensure a seamless user experience across different devices and browsers. Gained hands-on experience with Angular to build dynamic components and manage single-page application (SPA) state efficiently. Collaborated with senior developers to debug frontend issues and implement UI/UX design wireframes into functional code.

EDUCATION

- **Master of Computer Applications (MCA)** – Chandigarh Group of Colleges (CGC), Landran
- **Bachelor of Computer Applications (BCA)** – Dr. Y.S. Parmar Govt. PG College Nahan, Distt. Sirmour (Himachal Pradesh)
