Objective

I am a motivated beginner in software development looking for an entry-level position to use and grow my programming skills. I have practical knowledge in ASP.NET Core, Angular, C#, HTML, CSS, and SQL gained through training. I am eager to learn and contribute by helping build simple, user-friendly web applications and APIs.

EDUCATION

Bachelor of Computer Applications (BCA)

Lovely Professional University(LPU) ,Jalandhar

2022 -2025

Senior Secondary School (10+2)

HP Board

TRAINING

CS Infotech, Chandigarh — Full Stack Development Training

Aug 2025 - Dec 2025

Pursued hands-on training in full stack development with a focus on both front-end and back-end technologies. Gained practical experience building responsive web applications using ASP.NET, .NET Core, and MVC. Worked with HTML and CSS to create dynamic, user-friendly interfaces. Learned API integration, component-based architecture, and database connectivity using SQL and MySQL.

PROJECTS

Park Booking System — ASP.Net Core 8, C#, MVC, API, JWT ,MSSQL

Employee Management System — ASP.NET CORE 8, C#, Entity Framework Core, Angular, TypeScript, HTML5, CSS3, SQL Server
