### June 2025

Bachelor of Computer Applications

Dr. Yashwant Singh Post Graduation College, Nahan, Himachal Pradesh

### May 2022

12th | HP Board

Govt. Girls Senior Secondary School, Solan

## PROJECTS

### E-Commerce Book Shopping Website

Tech: ASP.NET Core, ASP.NET Identity, SQL Server

- Built a secure e-commerce platform with authentication and role-based access.
- Implemented product search, category filtering, and shopping cart functionality.
- Developed an Admin Dashboard to manage books, categories, and orders.

### National Park Booking Web API

Tech: ASP.NET Core Web API, EF Core, SQL Server, JWT

- Designed RESTful APIs for real-time park information and online booking.
- Implemented JWT authentication and date-wise booking validation.
- Created an Admin Panel for booking and review management.

### Employee Management System

Tech: Angular, ASP.NET Core Web API, SQL Server, JWT

- Developed CRUD operations for employee management.
- Implemented JWT authentication, Angular Guards, and HTTP Interceptor for secure API access.
