

PREETI

SOFTWARE DEVELOPER

Bengaluru|7983976088 | preetithakur0219@gmail.com | www.linkedin.com/in/preeti-thakurb0a72b1bb

SUMMARY

Proficient in designing and developing scalable, enterprise-grade applications using ASP.NET MVC, C#, SQL Server, and Angular. Experienced in delivering secure, high-performance solutions on Azure cloud, with a strong focus on clean architecture, code quality, and system reliability.

EXPERIENCE

Bosch Global Software Technologies

Software Developer

Bengaluru, Karnataka | July 2023 – Present

- Working on enterprise-level web applications using ASP.NET MVC, C#, JavaScript, and Azure Cloud services. Involved in .NET backend development including implementation of REST APIs and integration with front-end components. Designed and developed UI from scratch using Angular, HTML, CSS, and component-based architecture. Managed databases using SQL Server and MySQL, handling CRUD operations, query optimization, and data integrity. Exposure to software design patterns and contributing to solution design aligning with architectural best practices. Participated in Agile ceremonies, using tools like JIRA for project tracking and collaboration. Gained exposure to WCF (Windows Communication Foundation) for service-oriented architecture and WPF for internal desktop tools.

Bosch Global Software Technologies

Software Developer Intern

Bengaluru, Karnataka | Jan 2023 – June 2023

- Supported back-end and front-end development in ASP.NET and JavaScript for enterprise tools.
- Conducted code reviews and implemented enhancements under guidance of senior developers. Hands-on with debugging, feature enhancements, and exposure to WCF services in legacy systems.

PROJECTS

ASR (Annual Salary Review)

Technologies: ASP.NET MVC, C#, JavaScript, SQL Server, API Integration

Jan 2024 – Present

- Developed HR tool used for salary review and promotion tracking using ASP.NET MVC and C#.
- Implemented secure, scalable backend services and connected them with responsive frontend using RESTful Web APIs.
- Managed data operations with SQL Server, ensuring consistency and performance optimization.
- Integrated front-end and back-end for real-time data sync; designed with a focus on modular architecture.

Bosch4You (B4U)

Technologies: Java, Angular, SQL, Azure, Database Management

Jan 2024 – Present

- Internal asset management system; contributed to back-end development and cloud-based deployment using Azure.
- Participated in architecture-level discussions and applied design patterns to improve maintainability and performance.

TECHNICAL SKILLS

- Programming Languages: Java, JavaScript, C#, SQL
- Web Technologies: ASP.NET, Angular, HTML, CSS, Bootstrap
- Frontend Development: UI/UX Design, Data Binding, Responsive Design, API Integration
- Backend Development: ASP.NET MVC, Java, RESTful API, WCF
- Database Management: SQL Server, MySQL
- Cloud & DevOps: Azure, Git, CI/CD
- Tools & Platforms: SQL Developer, Postman, Visual Studio, GitHub

EDUCATION

Chandigath University

Bachelor of Engineering in Computer Science

Mohali, Punjab
July2019 - June 2023

CERTIFICATIONS

- Angular Latest
- ASP.NET MVC / ASP.NET MVC Core
- AWS Cloud Guild APAC
- Microsoft Azure Fundamentals

AWARDS/ACTIVITIES

- Received the "ENGINEERING EXCELLENCE" award for outstanding contributions.
- Recognized for project planning and organizing events like "FUN@WORK TEAM".
- Actively contributed to cloud enablement efforts within development teams.
